

◆ Short Bio (for EPK, festival teasers, press):

Onyx Eyes delivers atmospheric and melodic metal with a powerful female voice – emotional, intense, and captivating. Their sound fuses dark elegance with symphonic depth and metal-driven energy. With performances at events like **Wave-Gotik-Treffen**, **Welcome Goodbye Summer Open Air**, and the legendary **SO36** club in Berlin, as well as support shows for **Tarja Turunen**, **Letzte Instanz**, **Das Ich**, and **Leaves' Eyes**, **Onyx Eyes** has established themselves as a compelling live act within the European scene.

◆ Full Bio (for press kits, booking, festival pages):

Onyx Eyes is a female-fronted melodic metal band based in Germany, blending emotional depth with powerful riffs, epic arrangements, and dark, symphonic atmosphere. Their music bridges the worlds of gothic, symphonic, and modern metal – always with a unique identity and a strong, expressive voice at its core.

Formed with the goal of creating music that goes beyond genre clichés while staying true to the emotional core of metal, **Onyx Eyes** crafts songs that explore themes of strength, vulnerability, transformation, and inner darkness – all wrapped in rich, dynamic soundscapes.

Live on stage, **Onyx Eyes** shines with intensity and authenticity. Highlights include a celebrated performance at the **Wave-Gotik-Treffen** in Leipzig, appearances at the **Welcome Goodbye Summer Open Air**, and a show at the iconic **SO36** in Berlin. The band has also shared the stage with prominent acts such as **Tarja Turunen**, **Leaves' Eyes**, **Letzte Instanz**, and **Das Ich**.

With a compelling stage presence, high musical standards, and a sound that resonates emotionally and powerfully, **Onyx Eyes** proves that female-fronted metal is not a genre tag – but a voice that demands to be heard.
